Why Partner with Us

For over 30 years, Cover Butler has been manufacturing the highest quality, world-class spa accessories, enhancing spa and swim spa experiences. Partnering with us offers several key advantages:

Reduced Inventory Investment: Our products are in stock at most distributors, minimizing your need to tie up capital in inventory.

Protected Profits: MAP pricing ensures your profitability.

Special Offers: Take advantage of co-op, show display, and event discounts.

Lifetime Warranty: We stand behind the quality of our products. Our warranty covers product performance for the lifetime of the spa.

Logical Warranty Explained

We're confident in the quality of our products. For the first year, we'll handle any issues with a repair or replacement, free of charge. After that, simply send us some photos and a quick explanation of the problem, and we'll work with you to find a positive solution. ASM/Cover Butler believes that even a warranty claim should be a positive experience. (Shocks are excluded from this warranty.) www.coverbutler.com/warranty
